Dear Colleagues,

We hope you will join us for today's All State SOTA call today where we will discuss the **Department of Labor's Fair Labor Standards Act (FLSA)** regulatory revisions that will become effective on January 1, 2015 and how they may affect Medicaid home and community-based services. The webinar will also discuss how states and agencies may bill Medicaid for shared overtime and/or travel costs of employees. There will be time for questions and answers at the end of the webinar.
