Subject: Re: Raise - Paycheck discrepancy

Just to clarify, so that I can replan my finances for the next month, on July 14th which is the next regularly scheduled pay day, I will receive a paycheck that includes the missing portion of my July 1st paycheck (which was compensation for June 2-16) and my July 14th paycheck including raise (which is compensation for June 17-July 1). Please let me know if this is correct?

Catherine, I'm sorry but we are unable to do an off-cycle payroll with the holiday being tomorrow.

I've verified that it will pay you for 7/1 & 7/16 payroll. I'm sorry for any inconvenience.

Thanks,
Cheryl

Good Morning, I was wondering if there was any update on what is going on with this. I am trying very hard not to have to dig into savings to cover my bills this week.

Subject: Raise - Paycheck discrepancy

Good Morning,

My account did not show the correct amount this morning and I've checked the pay statement on SCEIS and it also does not reflect the correct amount that would include my raise. Thank you for your help resolving this.
