*Gov. Haley*

I hope that this letter finds you in good health.  
I am a 66 year old former Marine (Viet-Nam 68-69) I am trying to start an autograph collection for myself. I enjoy reading, listening to music, sports, and spending time with my family.

I was hoping that you could sign the enclosed for me, as it would be a welcomed addition to my collection.

Thank you for your time and consideration.

Sincerely

*Tony Rescigno*
