On the road again.....about 20 fine folks met us out at Lake Greenwood State Park this morning. We'd like to thank our Greenwood neighbor FUJIFILM for giving us seed money to help us get this guide printed. On to 10:30a at Musgrove Mill, 11:30a at Rose Hill, 2p at Chester and 4p at Dreher Island.

**Betty Thompson** My favorite one!

**Ronnie Dawkins** Enjoyed meeting ya'll! Family and I are planning a "tour of parks" to get our stamps!
