Just followed up with Flynn, Clyburns office I working on it. I've told him to keep my number if he needs anything further from us, but since it is a federal issue, Rep. Clyburn is the best bet.

I just spoke to him, he has a call in the Rep. Clyburns office in DC, which is typically how I would have handled this. I told him and I will, follow up with him on Monday and see where he's gotten to. If he hasn't gotten far, I'll look for another route that doesn't involve his Congressman.

Please call Roy Flynn. He's got a federal issue with CMS am not I'm not exactly sure how to deal with this but I think you could help him figure out the right direction to go.
