Dear Editors, Politicos and Readers,

Thanksgiving reminds us of America's bounteous blessings and should steer us to improve ourselves and each other!

After Thanksgiving and before some thoughts of Christmas seem right to consider.

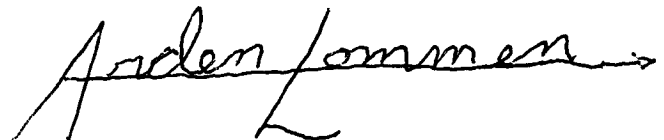

Every child should have a Bible, a Mother Goose book, a Richard Scary's Best First Book Ever, and The Best Loved Poems of the American People book!

In January, right at the beginning of the 2nd semester - Martin Luther Jr.'s birthday - an extra pay check should be paid to employees to help recover from Christmas bills. Instead of teachers getting 24 pays a year it should be 25.

To slow down children from having children, birth control pills should go with free lunch as reasonable.

Wishing you and yours Happy Thanksgiving, Merry Christmas, and Most Blessed 2015!
