Subject: Congrats!

Big day for the Gov. We'd love to have her join us for an interview tomorrow to discuss the President's executive action on guns and talk a little about SOTU.

Any chance she'd be free to chat with Charlie, Norah, and Gayle at 8a ET (only on CBS)?

If not tomorrow, how about the next avail day?!

Rob's ignoring me, Chaney.....

Happy New Year! Go Tigers!
