Subject: Urgent! Call your Representative Now!

---

The House of Representatives is getting ready right now to vote on a bill that will take away health insurance for 24 million Americans, cut Medicaid funding by 25%, and put the health of older adults in peril.

Representatives are under pressure to vote yes and need to hear from constituents now.

**Call your Representative today at 1-866-426-2631** and tell them to vote NO on the AHCA that Republican leaders are rushing through Congress. The bill is bad and getting worse.

**CALL CONGRESS NOW at 1-866-426-2631 and tell them to protect healthcare for seniors.** Ask your Representative to publicly oppose the bill.

**And then share this message.**

*Please see our [Fact Sheet](#) on how the AHCA harms older adults for more information.*
