Darryl,
ACL has set the following time for the Lt. Governor and you to meet with Dan Berger, Acting Assistant Secretary for ACL and Edwin Walker who is the Deputy Assistant Secretary. Does May 15th at 2pm work for you? I will not be in the office until Monday so I'd like to finalize everything today if possible. If not, Joyce's contact information is in her email below.

Also, they want to know the hot aging issues in SC - I would say that is probably moving the Office on Aging to the Department of Aging, while remaining in compliance with the Older Americans Act.

Also, they want to know areas of concern for the Lt. Gov.

Dan Berger

Acting Assistant Secretary for Aging

Acting Administrator, Administration for Community Living

Dan Berger currently serves as the Acting Assistant Secretary for Aging and Acting Administrator of the Administration for Community Living (ACL), assuming both roles in February 2017.

Mr. Berger has served in the position of Deputy Administrator for Management and Budget in ACL since its creation in April 2012. ACL brings together the federal government's work on behalf of older adults and people with disabilities. From the beginning, ACL was based on a commitment to one fundamental principle — that people with disabilities and older adults should be able to live independently and participate fully in their communities. ACL works with states, tribes, community providers, researchers, universities, nonprofit organizations, businesses and families to achieve that vision.

Deputy Administrator for Management and Budget, he serves as the Executive Officer and Chief Financial Officer and oversees the administration of ACL's financial resources; discretionary and mandatory grants; information technology and telecommunications; procurement and facilities services; personnel and human capital development; and internal control activities. Under his leadership, the Center is responsible for improving the efficiency and effectiveness of ACL's operations and providing effective administrative services to support ACL's programs.

Prior to assuming his current position, Mr. Berger served in a variety of budget and management positions in the Department. Management positions at AoA included Director of the Center for Management and Budget, Director of the Office of Management Analysis and Resources, and Director of the Office of Information Resources Management. He entered Federal service as a Presidential Management Fellow in 1997 and spent 8 years as a budget analyst in the Office of the Secretary and AoA.

He received a Master of Public Administration degree from Northeastern University and bachelor's degrees in history and politics from Brandeis University. He resides in Fairfax, Virginia with his wife and three children.

Thanks Joyce - I was in training all last week and had to travel with the Lt. Governor yesterday for a grant announcement in Greenville so you were on my list to call today.

Thank you for all of your assistance with this.

Gerry

Joyce, did you have any luck finding me an HHS official that the Lt. Governor can meet on his trip to DC May 15 – 17.

Thanks
