Subject: Payments to Corrections

Hey Marcia,

Payments made to the SC Department of Corrections, for license tags, from July 2004 - January 2005 = \$628,442.84.

Payments made to the SCDC, for license tags, for Fiscal Year 2004 = \$1,222,780.

All payments made under object code 0352 are for Drivers License and License Plate supplies. However, we think we were able to identify just the payments that were for license tags.

Hope this helps. Let me know if you need any additional information.

Thanks,
Trish
