Columbia, S.C. 29201

Dear Governor Haley:

On behalf of the river Hills/Lake Wylie Lions Club, and myself, please accept our deepest appreciation for the Proclamation you furnished us in honor of our Fortieth Anniversary of service. Although not personally present for our celebration, your spirit of leadership permeated the evening's event. Just as you have committed yourself, we Lions have dedicated ourselves to the service of all who are in need.

If ever the River Hills/Lake Wylie Lions Club can be of assistance in your endeavors for our State, please feel free to call upon us.

Cordially,
