RE: Sy' miah Dash

On Monday, January 5, 2015 about 2 p.m. I received a call from Tyika Asby stating that Sy' miah is being removed from my home. I asked her why and she stated that she did not know. Tyika Asby said she had received a letter on her desk on December 19, 2014 stating that Sy' miah would be moved but it didn't state a reason as to why.

When I spoke to the director Enid Jenkins she stated that Sy' miah is being moved because she is going up for adoption. When I called the adoption services office they had no knowledge of the removal.

When Tika Asby came to pick up Sy' miah she brought with her a copy of the letter that was supposed to be sent to me that no one from their office had actually mailed out to me. After reading the letter that she had delivered to me the day of removal I asked again for the reason of removal and was told that there would be a hearing on Wednesday morning to explain the reason for their decision.

I feel this is unfair that a child would be removed from my home and no one would give me a reason for removal. Sy' miah has been in my home nearly three years. I would like for someone to contact me and assist me in this matter. I can be reached at 843 753 3029. Thank you very much for your assistance.

Sincerely,

Catherine Levine
