Good to hear from you Marla. I have included our Columbia office in this e-mail. Maybe they can help find some information as to how you need to proceed.

Sincerely,
Kevin

Hi,

as of the first of April we have been helping and supporting an domestic abuse victim and her 16 month old daughter. AIM and several friends have helped, but none of the other services.

My question is how the SC Department of Revenue can send us a bill for Ken Walker, Inc., that is from 12/1996 tax year? They say we owed \$25 and with penalties and interest, the total is now \$97.27.

We do not or are required to keep records that long, so we have no way to dispute it.

Not sure who to ask about this.

Thanks,

Marla
