---

Marcia,

I recently mentioned to Jimmy Early that the State Portal would implement a single \$75.00 annual fee for Users to maintain a monthly account with the Portal. He mentioned that you asked that we send you written notice of this fee. I am sending a letter via regular mail, but also wanted to provide it to you electronically and therefore have attached it to this email for your reference.

Please let me know if you have any questions or if I could clarify anything for you. I can be reached via phone at 803-737-3392 or via email at [jmccartney@nicusa.com](mailto:jmccartney@nicusa.com).

Thanks!

Jeff McCartney
