Subject: 630a CBS Tomorrow

Hey Team Gov –

I'm c/c'ing Lauren Hoenemyer and Josh Peagler who will be on the ground for us tomorrow. I may loop in one other producer a little later as well.

They'll meet you at 115 Calhoun St in Charleston at 620a. The Gov will be interviewed by Norah O'Donnell, Gayle King, and Anthony Mason.

I've listed your contacts below. Feel free to introduce yourselves tonight if you're in the same area.

We are trying to let ABC use our truck for its 640a hit as well, but that's not confirmed yet. I'll keep you posted on that.

Thank you so much for arranging this for us. Please let me know if you have any questions at all.
