Couple of hours, please – MDRC 1 is moving locations, so the NR will explain.

No \$ release – although I'm looking for language for you in case you want to use it in the future. Thanks, hv

Most likely another DRC Opening NR and a \$10 million milestone NR tomorrow.  
We've been pushing a lot of health and safety info from the State agencies.  
Unless there's an issue we need to address, recommend holding off on Joint NRs until Monday news cycle when all the media have had some sleep and are looking for stories.
