South Carolina's federal delegation is working hard to represent the state in D.C. regarding tariffs, taxes and other pivotal issues that impact the community.

Hear directly from our delegation about the issues that affect your business at Washington Night, presented by [Parker Poe](#), on Wednesday, August 22 in Columbia.

Washington Night is part two of our federal legislative event series. Join us afterwards for the reception to speak one-on-one with members of the delegation and connect with elected officials and staffers.
