Yesterday afternoon we celebrated our 600 Tables in 60 Days Project/Partnership between Cox Industries, Inc, the Boy Scouts and South Carolina State Parks. Governor Nikki Haley was on hand to thank Mikee Johnson, CEO of Cox Industries for his generous donation to SC State Parks. Scouts helped build 600 picnic tables donated by Cox Industries at 32 state parks across South Carolina. We thank Cox for this generous donation, and the scouts for their time and efforts in building these tables.

Frank Davis Great job by all. What you are doing is making a positive change in thousands of lives.
