Dear Sen. Graham,

Now is the time for all good men
to come to the aid of the party.

We are the Booster Club for the
Republicans. The team that supports
our team.

I fear you and many others
have lost your spirit. I am
85 and still have my spirit. I'm
not letting the dems steal it from
me.

Donald Trump won the nomination
against all odds and deserves our
support. I can't believe you,
Susan Collins and all the others
would throw the elections. There is
too much to lose.

Please lead the way back into the fight.

I have always admired and voted for you and always will.

There's hoping you will lead the way back into the fight and "go for broke"!

We are the good guys so put on your white hat and lead the way.

We don't want to one day sit on the back steps with our little grandchildren and try to tell them how America used to be.

Respectfully yours,

Lois M. Vornio
