Nothing specific to that article. If we weighed in at all, I would just repeat what we have said previously: we oppose the transfer of GTMO detainees to the Charleston Brig, and if the Obama Administration releases a plan indicating relocation into SC, we will evaluate our options at that time and do what we can to prevent the transfer. The recently passed FY2016 NDAA kept in place the transfer restrictions, and we hope the President will follow the law.

Any reason for us to weigh in here?

Hello –

Just checking to see if the governor has any reaction to this report that closing Guantanamo Bay would be too costly and what if any impact this could have on the Old Navy Brig site in Hanahan. Thanks!
