Katherine,

I wanted to get back with you to see if a telephone call or videoconference with our board of directors meeting would work for Governor Haley. The meeting is scheduled for next Tuesday, September 23 from 8:30 a.m. to approximately 10:30 a.m. Bill is out of town until Thursday. We will have the agenda items finalized by late Thursday or early Friday and can email them to you at that time. Please call me at 843.341.8372 if you have any questions.

Again, thank you for your assistance with this!

Connie

Katherine,

Bill asked me to get back to you regarding your questions. See responses in red below.

Thank you for your assistance with this. Let me know about the videoconference option. If that works on your end, we can set up a test prior to September 23rd to make certain the two sides are compatible. If a videoconference isn't possible, we can just make it a telephone call.

Please let me know what else you may need.

Regards,

Connie

Bill,

Great to hear from you yesterday!

Brief follow up questions:

- ☐ Will both the executive committee and BODs be in attendance on the 9/23? – Yes. A complete board listing is attached for your review.
- ☐ Capabilities to skype into the meeting? - We do not have the capability to Skype but we can do a videoconference. Is that something that would work for you?
- ☐ What are the general agenda items for this board meeting? – The agenda has not been finalized yet. I will be happy to forward it to you once it has been completed.
- ☐ Suggested topics of discussion for Governor Haley? - Bill said whatever the Governor wishes to discuss would be fine. A general South Carolina update would work. She may want to include something about economic development, PRT's destination specific grant, immigration, congratulations on being named the National Chamber of the Year - but again, it is her decision.

We appreciate the request – *I'm definitely trying to make it work with her schedule.*

Thank you,

Katherine
