Paula staffed this bill and I'm not sure if this came up in any discussions, but I can ask. At first glance, I don't see that it would prohibit the Lieutenant Governor from accepting contributions after the passage of this bill. However, the amount for contribution limitations would need to be addressed if he were to run on a joint ticket. I will also forward your question to Paula to see if she has any insight from prior discussions on this bill.

Heather, how will Part II of S. 107 affect LG Bryant's current ability to raise donations for the existing LG account? Will he be able to take donations for the LG account that he has created? Thanks
