Subject: How much of the Florence County Musuem money is state funds?

---

Katherine, I have spoken with Florence County Museum folk and checked with the Florence County Finance Office, and both sources say the state's investment in the roughly \$15 M project was about \$3.9M. I'm not sure where the money came through in the budget, not us, or over how many years, but if you need us to pursue it further we can.
