Subject: Reminder: Socrata Survey on Open Data

Hi again Nikki,

This is just a quick reminder email that Socrata, the world leader in open data, is sponsoring a short survey on the present and future of open data. Socrata has hired EMC Research, a national market research and public opinion company, to conduct the survey and we would like your participation.

The survey will be closing tomorrow (6/5) morning at 10am PST, we would greatly appreciate just a few minutes of your time!

As thanks for completing our survey, we will send you the results as soon as they are available.

Please click on the link below to take the survey.
