Subject: SC RELATIONSHIPS

Good afternoon Ladies,

I pray all is well with the Governor and you all.

I am putting together a meeting/forum tonight here in Florence about not only race, but relationships here in the our community. It might be a good time for this state and for the Governor to talk about relationships and the importance of developing/fostering relationship building in our state. The timing is right in leu of what is happening across the nation. The world is looking to this country for leadership. I would to have the opportunity in some sense of conversation with the Gov. about this subject. what do you think?

Peace and Blessings

Terry Alexander
