Greetings Nikki,

**This book is *free* today.**

Community Reentry and establishing a positive direction in life requires conquering life's never ending series of challenges.

Wrapped in a metaphor of *Slaying Dragons (Conquering Life Challenges)*, this book has been adopted as the official reentry guide in some, and a supplemental reentry guide in many institutions and reentry organizations.

People who work with "at risk youth," or with individuals who need to embrace a good community reentry strategy can benefit from the personal 30-plus years of experience of a man who embraced reentry and transitioned from serving both federal and state prison sentences to an Airline Transport Pilot and the President, Chairman & CEO of a two-time *Inc 500 Corporation*, ranking as the *68th Fastest Growing Company in America*.
