#### Amendment No. 67

Senator CASH proposed the following amendment (4950R038.SP.RJC.DOCX), which was tabled: Amend the bill, as and if amended, Part IB, Section 33, DEPARTMENT OF HEALTH & HUMAN SERVICES, page 361, after line 23, by adding an appropriately numbered new proviso to read: /33.\_\_. (DHHS: Defunding Planned Parenthood) *The Department of Health and Human Services shall not accept federal funds for family planning. None of the state funds appropriated for family planning may be expended to directly or indirectly subsidize abortion services or procedures or administrative functions and none of the funds appropriated herein may be paid or granted to an organization that provides abortion services. An otherwise qualified organization shall not be disqualified from receipt of these funds because of its affiliation with an organization that provides abortion services, provided that the affiliated organization that provides abortion services is independent of the qualified organization. An independent affiliate that provides abortion services must be separately incorporated from any organization that receives these funds. An organization that provides abortion services where the life of the mother is at risk and the termination of the pregnancy is incidental to the lifesaving intervention is excepted from the above restriction on state family planning funds and may receive state family planning funds, provided that the physician shall act in accordance with the standard of care to preserve both the life of the mother and the life of the pre-born child. |*

Renumber sections to conform.
