saraofsc I visited on a weekday, so I missed a tour. I guess I'll need to travel on the weekends occasionally! As one of my retirement hobbies, I want to connect with some of the 18th century living history folks so I can play my scheitholt and lead singing of 18th century songs in various parks.

slangheld The falls in the area were pretty spectacular last week because of all of the storms. Made it to Licklog, Isaqueeena and Whitewater Falls. Would recommend all of them.
