Subject: Reflecting on the past year

As 2018 comes to an end, we find ourselves reflecting on the studies we published, the impact those studies had, and what made it all possible YOU.

In lieu of sending cards, we have made a donation to Kids' Chance of America, which provides educational opportunities and scholarships for the children of workers seriously injured or killed on the job.

From all of us at WCRI, may your New Year be filled with peace and prosperity. We look forward to working with you in the year to come.

Best wishes,

Dr. John Ruser
President and CEO
