Dear Elizabeth,

Thank you for your letter. I appreciate your sharing your ideas about having a sidewalk to connect your neighborhood to your school. I love hearing from students, and I am so proud of you for getting involved in your community. I would recommend you contact the body that maintains the roads in your subdivision. You can find out who is responsible for their maintenance by contacting your local Resident Engineer's office with the South Carolina Department of Transportation at 864.241.1224. I also encourage you to contact your State Senator and State Representative. You can reach out to your legislators by visiting <http://www.scstatehouse.gov/legislatorssearch.php>.

Thank you again for writing, and keep up the good work! God bless.

My very best,

  
Nikki R. Haley
