Nikki Haley on WOKV-AM (Radio) - Jacksonville, FL
04/25/2015 18:28:45

... but it's on me i'll make it available to people roasting right now i'll do their complementary for anybody who calls the next 10 minutes be out there nikki haley knew you had for quite some time around as they did when you you that throwing with the way really breaking down what it's doing for us in what you're paying in fees and in all those types of things can be very complicated what might that his team he and all that with their complementary annually stressed that the next government review court within the next ...
