**Imagine a network that provides your company qualified leads and doesn't ask for anything in return. Not even a tweet. Not even a status update.**

**That's AboutOurWork.**

AboutOurWork is the first and only B2B network that takes a data-driven approach to providing your company leads. We're often called the "**Match.com** for small businesses."

Claim your profile and let us start sending you qualified leads. **It's free.**

Please email me personally with any questions or if this isn't a fit for your company. I can be reached at [david@aboutourwork.com](mailto:david@aboutourwork.com) or at [@aboutourwork](https://twitter.com/aboutourwork) on Twitter.

Best,

Dave
