Dear Governor Haley,

Thank you for your leadership on the Confederate flag. Like you, I was inspired by the faith and forgiveness of the families of Emanuel AME Church. Christ's love in them has melted hearts across South Carolina and across the United States.

Having scars from advocating the removal of the flag throughout my time in elective office, I know the intensity of the opposition that you face. Please be sustained by the sure knowledge that you are doing the the right thing—for South Carolina and for the Kingdom.

Sincerely,
