**Bobbie McAfee Haga Kliewer** Will there be fans lol

at 12:51:45 on 8/08/2011 UTC

**Judi Adams George** Great question Bobbie. They would help with the heat and bugs. If not fans are available how about electricity so we could bring one?

**Bobbie McAfee Haga Kliewer** And in this heat misters might make it more comfortable and encourage a bigger turnout

**Eric Stamey** Can you use the park pass to get in?

at 13:28:45 on 8/08/2011 UTC

**South Carolina State Parks** Yes, Eric, you can definitely use your park pass to get in.

**South Carolina State Parks** As far as fans go, there is no way for us to provide fans for this large space. They do make small, portable battery operated fans and spray misters that you can purchase.
