Subject: Flu Shot

All,

If you covered under the State Health plan, you are eligible for a free flu shot.

From PEBA's website:

Flu Vaccine

Beginning July 1, the flu vaccine will be offered at no charge to all members covered under the Savings Plan or the Standard Plan. State Health Plan members may get the shot from a participating pharmacy for a \$0 copayment. If a member receives the shot in a participating network doctor's office, the flu vaccine and the administration fee will be paid in full; any associated office visit charges will be processed according to regular Plan coverage rules.

Katherine
