## **Webinar: Lewy Body Dementia: The Importance of Comprehensive Care and Support**

***Wednesday, February 15, 2017, 2:00-3:00 p.m. ET***

ACL's National Alzheimer's and Dementia Resource Center is partnered with the American Society on Aging for a webinar providing an overview of Lewy Body Dementia (LBD) and how it differs from Alzheimer's disease and Parkinson's.

Attendees will learn the symptoms of, and treatments for, LBD and how the disease affects caregivers. A person living with LBD will share first-hand experiences and compensatory strategies.

Pre-registration is required. [Learn more and register for the webinar.](#)

Please note, complimentary CEUs are available for this webinar. The webinar will be recorded and available for viewing at [nadrc.acl.gov](http://nadrc.acl.gov).
