Hi there! I was going to go to the statehouse today to get a park pass, but I saw they were all gone by the time I was going to leave so I didn't end up going, and I didn't see the post that it was extended until 4 until just now. Is there an alternative that you all are offering for this deal? Thank you for your time.

You can spend $50 in our online store at www.SCParkStore.com and get a free passport. You must put the passport in your cart along with $50 worth of merchandise. Upon checkout put in the code DPG9X and it should remove the $99 for the passport. You have until 4:00 Sunday, Dec 12 to order. Please do not share this code. This is only for people who came to the State House today.

Thank you so much for offering this! I'm having some trouble. I'm going to attach a screenshot to see if I'm doing everything right.

Everything looks correct. Refresh and re-enter the code and see if that works. If not, we'll have to get someone to look at it tomorrow.

I tried in another browser and it's still not working.

I'm not sure why. We've had many other orders come through. Let me see if I can find someone to help.

Thanks. I just tried again and I'm still getting that message.

Can you clear your cart and then put the passport in first? Then put the code in when you checkout. It is working for everyone else, so it has to be some kind of weird glitch.

I think it was the May the Forest Be With You shirt. When I tried a different combination of items it worked.

Not sure why that happened. Were you able to get the deal?

I was. I just purchased different items. Thank you!
