

Doc Locke Hits a Milestone, Celebration Planned

By SARAH LOCKE
and ELLIE, CHARLIE, HENRY and WILLIAM

Columbia, — Mark D. Locke M.D. is filling his back yard with family, friends and laughter on October 24th, to commemorate his landmark 50th birthday. His fondness for live music will be realized by Patrick Davis, and he promises an appetizing menu for all foodies. There is speculation that Mark's attire for the evening will be very casual and his intention will be to get the party started by 7:00 pm. Attendees are asked to travel to Columbia, South Carolina and park somewhere close to 1121 Enclave Way.
