Nikki Haley on WIS - COL (NBC) - Columbia, SC

01/26/2015 04:35:32

WIS News 10 Sunrise (News)

... supreme court's order to fix an education system that justices say fails south carolina's poor, rural children. the gop-controlled legislature and gov. nikki haley have called for a re-hearing. legislators argue the state's high court overstepped its authority in tellin them to do anything and that the justices need to give instruction on what to do. governor haley complains the state supreme court didn't give credit for budget changes passed last year at her ...
