Good morning Hank,

Thank you for getting back to me.

That would be great, and I would appreciate if Lt. Gov. Bryant could take the time this afternoon. Let me know what works best as far as time and location and I will be there. It shouldn't take more than about 10 minutes.

Thanks again,

Teddy

Teddy,

Sorry I missed your call late yesterday afternoon, but I received your voicemail this morning. I think contacting SLED would be your best bet regarding data and overall implementation of the [Endangered Person Notification System](#). However, if you would like general information for families and loved ones regarding the disappearance of a senior or someone who has Alzheimer's disease or a related cognitive impairment, Lieutenant Governor Bryant would be able to speak with you this afternoon. He has two meetings in Columbia on his calendar this afternoon, but should have some free time in between those (would most likely be 2:30pm-ish). Let me know if you're interested, and I can nail down an exact time with his staff if so.

Thanks,
