Hi Steve- could we do Wednesday, July 17th at 2:00 PM?

Thanks,
Leigh

Leigh-

We're pleased to host this event with Governor Haley and we are excited to move forward with our dredging project. The best dates for us are July 17 and 19.

We will coordinate the location and set-up with as soon as a date is confirmed.

Thanks,

Steve

Hi Steve, we'd like to join with you in doing an event for the Sea Pines Dredging. July is regrettably a difficult

month with travel schedules – however, would one of the dates below work?

Wednesday, July 17th - late morning/afternoon

Friday, July 19th – afternoon

Thursday, August 1st – late morning/afternoon

Please let me know at your convenience. We look forward to discussing this opportunity with you.

Sincerely,
Leigh LeMoine

Leigh and Katherine,

I wanted to let you both know that the Army Corps of Engineers issued their permit yesterday which will now allow our dredging project to move forward this fall. And as you already know, SC DHEC issued the state permit in late April. So our project is ready to move forward.

We greatly appreciate Governor Haley's support and involvement, and we are excited to get Harbour Town Yacht Basin and other waterways in Sea Pines dredged.

Thanks again for all of your help.

Steve
