Well mother nature decided she did not want to cooperate with us today. The courts are soaked and I do not see them being playable at all today. We plan to still have the party from 4 to 6pm at the tennis facility. Dress is casual. The tournament committee will be meeting today to re-schedule. Thank all of you for signing up to participate in this event for a wonderful cause that Rhett was so passionate about. If you have any questions, please let me know.

Thanks,

Brad Brendle
