Great – how about 10:30 Eastern on Friday, then? My cell is the number below...would it work best if you called me on that number when you're ready? Thanks again.

Thanks, Christian. I will be working from our San Francisco office on Thursday and Friday, but I could do a call at 10 or 10:30 am EST, if that works for you.

Alternately, I have time next Tuesday (4/2) at 9:30 or 10 am or after 2 pm, or next Thursday or Friday (4/4-5).

Best,
Jennifer

Based on John's last email, it looks like we're back to trying to arrange a call for just the two of us. How does later this week look on your end? I'm open Thursday afternoon, mid-morning Friday, and after 2PM on Friday, if anything in those windows would work. Thanks.
