I don't know when you can expect the study. I only know that State OHR is working on it and has to wait on responses that come in from other states.

Mrs. Adams

Thank you for your attention to this matter.

We have another question that you may be able to help get an answer. Is there an average time that these matters normally take to resolve. June 23 DMV OHR sent this matter to State OHR, after 3 months is there any end in sight? Can we hope for an answer in days, weeks, by Christmas, ??

We really appreciate any information and assistance you can lend. We will continue to follow-up periodically until this matter is resolved.

Thank you

Darl,

As per our conversation, I have followed up with Steven Lake. State OHR is working on your study, along with several other studies across the state. They have not stalled the study and will be in touch with us when it is complete.

Dear Marcia Adams,

On Sept. 3, 2004 we sent you an email requesting your assistance in relation to a payroll study that has stalled at State OHR. The following week you and Darl had a brief conversation (at Outlet Pointe) concerning this matter. You stated that you had not read the email yet, but you would follow-up with State OHR to see what could be done to move the study to completion.

We realize that you are extremely busy, but we were hoping to get an update on the progress of our Study.

I am attaching the contents of the 9/3/2004 email incase you need to refer to it.

Sincerely,

Debra Tucker,

Angela Bowen
