Wonderful.

The address is 1530 Wheat St. and we are located on the second floor. I will ask my administrative assistant to make sure you have a parking pass.

We look forward to seeing you on Tuesday.

Good Morning Christian,

Thank you for responding to my concerns. I look forward to talking with you about the ICC and the role of the Inclusion Collaborative. I would like to include my colleague, Herman Knopf, in the discussion as he has knowledge of and prior experience with the ICC. We are available Tuesday at 11:00AM. I hope that still suits your schedule. We could meet at the USC Child Development Research Center if that suits you, or a location of your preference.

Thanks so much.

Heather,

DSS has reached out to me regarding your concerns with the current status of the Interagency Coordinating Council. I've pulled the appointment records for the ICC and was hoping you would have some time next week to talk about the nexus with the Inclusion Collaborative and about what attributes/experience we should be looking for as we submit prospective appointments to the Governor for her consideration.

Tuesday at 11 and most of Thursday afternoon look good on my side at this point, if either of those would be OK for you. Thanks.

Christian
