Should I call him today? Or has this been closed?

I need an update on this. I called and left Rep. Clemmons a voicemail last Tuesday, but have not spoken to him. Will you please let me know where we are on this request?

Thanks,  
Leigh

Following up on this. He called me this morning as well. Is this something you should handle or discuss with the Governor? Thanks, Leigh

Rob: Would it be possible to schedule a brief meeting (15 minutes) with Governor Haley to discuss potential election law changes? I'll be in Columbia 11/13, 14, 26 and 27. I'll make any time during those days work. If another day is better let me know and I'll drive in, if needs be.

Thank you,

Alan
