Honorable Nikki R. Haley
Governor of South Carolina
Statehouse, 1st Floor West Wing
Columbia, SC 29201

Dear Governor Haley:

This is just a short note to let you know what an outstanding job Bryan Stirling is doing at the Department of Corrections. He has been most helpful with requests and following up to see that the problem has been resolved.

Recently there has been a severe litter problem along I-20 from the state line all the way to Columbia. I contacted Mr. Stirling to see if the Department of Corrections could assist in having litter picked up on I-20. I am happy to report that the Department of Corrections is doing a great job of keeping the litter picked up along the interstate. It's great to see the inmates working and all the orange bags full of trash ready to be picked up.

Thank you for all you do for our state.

Sincerely,

A handwritten signature in black ink that reads "Bill".
