The Heritage Library has spent years compiling hospital rolls, cemetery records, Town of Mitchelville citizens lists, Union Soldiers and US Colored Troops files to identify almost 3000 people who lived and died on Hilton Head Island during the Civil War years.

This evening was made possible by grants from the Town of Hilton Head Island, The Community Foundation of the Lowcountry, The Heritage Classic Foundation and The Bargain Box. Join us as we present this information and hear from the descendants of soldiers of the US Colored Troops.
