Jennifer,

Here's some language HR has used in our e-mails along with the link to SCEMD.

We have been advised of state office closings that will affect the following counties as of this time.

<http://scemd.org/closings>

We are following the same weather hazard decisions made by the county government officials where the state office is located. For example, if county officials delay the opening or close of county government offices, that means state offices in that county will follow the same schedule. Please check the SCEMD office periodically for any updates.

Thanks,  
Cheryl/HR
