**Subject:** Meeting on March 2 with AAA/ADRC Directors

Hi Mr. Morris,

Thank you for following up yesterday about the opportunity for IMPH staff members to join the upcoming meeting of the AAA/ADRC Directors. Sam Waldrep (IMPH's Senior Advisor on LTC) and I would like to attend. We would like to use the allotted 10-15 minutes to update the group on the implementation activities that have taken place since the LTC Taskforce Report was released in June 2015. (We will provide a brief overview/reminder about the taskforce effort and then can share information from the [LTC Progress Report](#) that was released in October 2016.) We hope to generate discussion about how the taskforce report and recommendations could continue to be a resource for the AAA/ADRC directors in their important work throughout the state.

Above, I've linked to an electronic version of the report, in case you would like to share it with the AAA/ADRC directors ahead of time. I am also happy to provide hard copies at the meeting.

I will be out of town for the rest of the week, but if more information is needed, I can follow back up when I am in the office on Tuesday. (I've also cc-ed Sam here, in case you need any additional details urgently.) I will circle back up with Gerry about details closer to the meeting date too.

Thank you,  
Eleanor
